### **CATEGORIES:**

The listed criteria is to help each contestant choose their category wisely. We will also have a panel of judges during check in to help assure you are placed in the proper category prior to competing

### **RULES:**

Legal styling aids include only WAX, HAIRSPRAY, and other products designed for styling HAIR. The use of hair extensions/fake hair of any kind, pins, clips or supporting elements while on stage is prohibited. (the ONLY exceptions to this will be the Artistic Categories).

Contestants may enter both the facial hair category and 1 Artistic category of their choice.

### **Artistic Categories:**

Entry open to Everyone, ALL ages, male or female

This category is all about having FUN! The Beards and Moustaches created here will be artificial and hopefully super imaginative creations. They need to either literally or abstractly resemble facial hair of any category in our competition.

### **The Realistic:**

Contestant goal is to create the most realistic looking facial hair possible. Needs to be true to form and as realistic as possible. Make us believe it's growing from your face.

### **The Creative:**

Contestant goal is to create the most creative and fantastic design you can possibly can imagine inspired by facial hair. Creativity in materials and emphasis on quality craftsmanship is encouraged. We want to be blown away by your works of facial hair ART!

### **Moustache Categories:**

Entry open to anyone with natural facial hair only. Moustaches need to be composed of facial hair above the upper lip. (Moustache hairs can start growing from but need to end at a maximum of 5/8" beyond the edge of the upper lip.)
